## WELCOME TO MONROEVILLE TRANSMISSION AND CLUTCH

Ken Fester and his wife Cindy are the owners and operators of this family-owned shop, located in Monroeville, Ohio. They have trusted TransTec® for over 20 years!

*Transmissions have changed a lot over the last 35 years. From 4-speed to 9- and 10-speed step units, to belt and chain driven CVTs, dual-clutch technologies and now EVT's. However, one thing has remained constant. TransTec® is a brand that is trusted by transmission professionals both locally and globally.*

**“When I use a TransTec® kit to rebuild our transmissions, they’re not just rebuilt, those transmissions are fixed, period.”**
