

NEW PRODUCT ANNOUNCEMENT

NPA 14, 10/02

Toyota A340E, A340F, A343F 2000-Up Overhaul Kit TransTec #2419

TransTec is pleased to announce the release of a new overhaul kit for the 2000-up Toyota A340E/F and A343F models. These late units require new valve body gaskets, accumulator seals, filter-to-valve body gaskets, seal ring kit, and metal clad seals. In addition, the low/reverse and forward/direct clutch seals are larger.

Kit Coverage
