

NEW PRODUCT ANNOUNCEMENT

NPA2003-11, July 2003

Renault Overhaul Kits

AR4 1989-Up
AD4 1991-Up
AD8 1992-Up without case and cover gaskets

We are pleased to announce the availability of TransTec overhaul kits for these three Renault transaxles. All three kits contain OEM seals, rubber components, and the highest quality paper products available.

There is also a bonded piston kit available, designed specifically for all three of these Renault applications.
