

New Product Announcement

TOYOTA A750E AND A761E

Originally, overhaul kits for the Toyota A750E 2003-up and Toyota A761E 2004-up were available with cork and rubber pan gaskets in TransTec® kits #2443 and #2471

In response to market demand, these applications have now been made available with Duraprene pan gaskets.

**TransTec® overhaul kits DP2443 and DP2471 are in stock
and available for immediate delivery.**
