

New Product Announcement

Chrysler 40TE & 41TE 2004-up

In the 2004 model year Chrysler introduced a light duty A604 with a designation of 40TE. This unit, as well as the more familiar 41TE, went to bonded pistons on the low/reverse and 2/4 clutch packs, as well as bonded accumulators and a bonded accumulator cover.

TransTec is pleased to announce six new overhaul kits for the 2004-up 40TE & 41TE. See matrix below for application and description information.
