

New Product Announcement

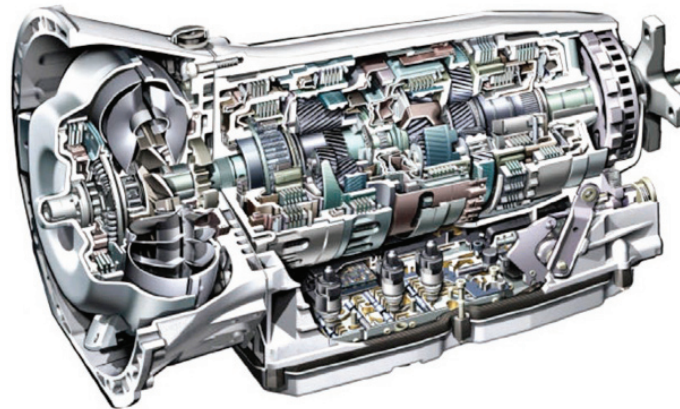

MERCEDES 722.9 SERIES

CORTECO is pleased to announce the release of TransTec® kits **2533** and **2536**. Both overhaul kits cover the 2005-up Mercedes 722.9 series seven-speed transmission found in several Mercedes-Benz late model vehicles.

Kit **2533** contains all the necessary sealing components including the metal and rubber bonded intermediate plate and extension housing gaskets. For a kit without the intermediate plate and extension housing gaskets, please order **2536**.

Featured Components
