

## Bulletin

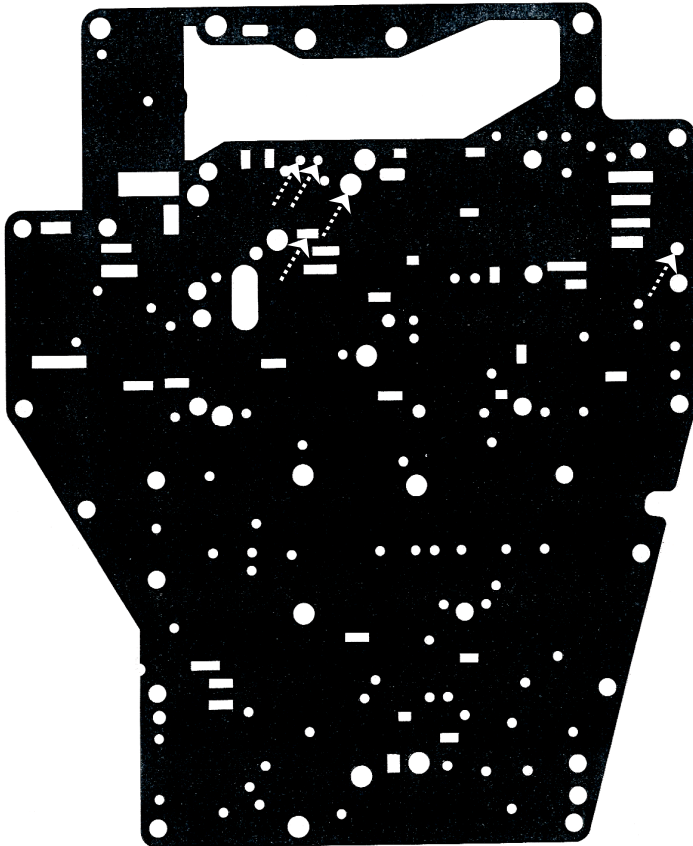

**Application:** ZF 4HP22E 1984-88

**Subject:** New “Combo” Valve Body Gasket

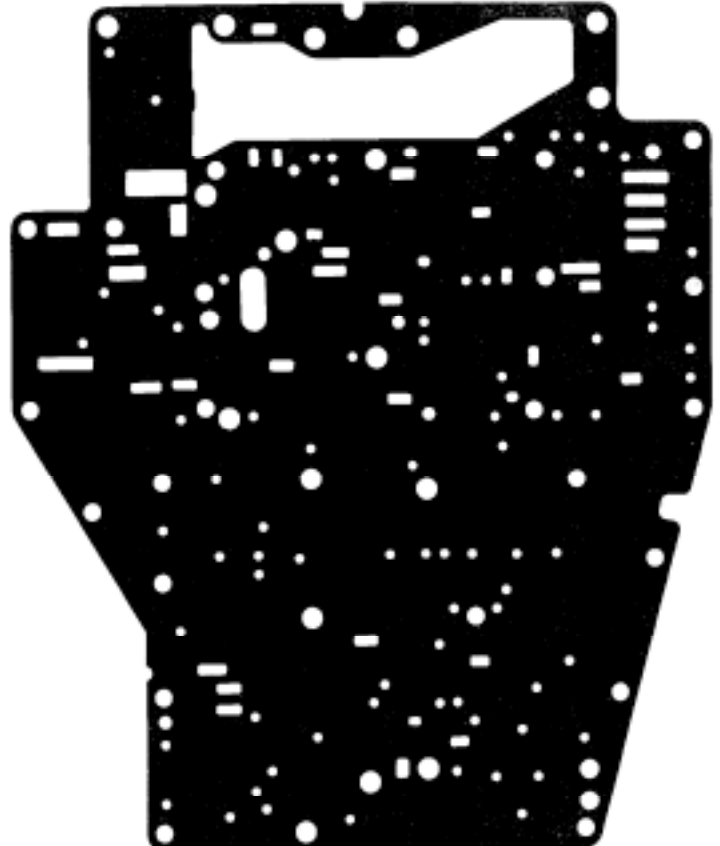

We are now offering a new “combo” gasket for the 1984-88 ZF4HP22E. The new gasket fits all models and vehicle applications of this unit. TransTec #12112 is now included in all TransTec kits with a date code of K02 and later, and replaces #12601 in all ZF4HP22/24 overhaul kits.

Arrows indicate holes that have been added or changed:

#12112

#12601

TransTec #12112 replaces #12601 and OEM numbers 1043-326-161 & 1043-326-232.
