

### JATCO 5 Speed JF506E/5F31J/09A Gaskets

TransTec® overhaul kits **2445** and **2467** have been updated to include the high clutch balance piston. As an added convenience we have also made this item available separately under TransTec® part number **B81899**.

Kits built on or after March 2, 2009 include this item.
