## Bulletin

**Application:** Acura RSX, Honda Accord and CR-V

**Subject:** Additional Model Coverage for Overhaul Kit #2430

TransTec overhaul kit #2430 has been updated to cover additional applications. With the addition of a new case gasket, rear cover gasket, and metal clad seal, we have extended the coverage to include the Honda CR-V 2WD and 4WD for 2002-up, and the Honda Accord 4-cyl. 2003-up.

All overhaul kits with a date code of **H03** and later include the gaskets and seals to cover these CR-V and Accord applications.

Note: The transfer case used in the 2002-up Honda CR-V 4WD can be serviced with existing TransTec kit #4915.
