## Application: Aisin Warner AW55-50SN

As a convenience to rebuilders, TransTec<sup>®</sup> has now added valve body screens, both the small and large 2<sup>nd</sup> coast one-way clutch washers, the reduction planet washer, and the valve body check valves to TransTec<sup>®</sup> overhaul kit number 2455, for the Aisin Warner AW55-50SN. Kits with a date code of C07 and later contain these components.

Due to the many vehicles that contain this unit, TransTec<sup>®</sup> would like to announce that we will soon offer separate kits by vehicle for this application. As an additional convenience to our valued customers, we will still offer TransTec<sup>®</sup> overhaul kit number 2455, which covers all makes with the AW55-50SN Automatic Transmission.
