**Application:** 1991-94 Ford Capri  
**Subject:** Kit Coverage

There has been confusion over which TransTec kit will cover the G4A-EL in the 1991-94 Ford Capri. It is covered by:

TransTec #**1194** Gasket/Seal Kit  
TransTec #**2286** Overhaul Kit

Total coverage for these kits is:

Mazda G4A-EL/HL, Ford 4EAT-G 1986-92 All, except Capri;  
Ford Capri 1991-94

The printing on the chip board in these kits has been revised to reflect the Capri coverage.
