TransTec NUMBER	DESCRIPTION
B87234	Solenoid Screen Filter

#### Features and Benefits

- Common wear items such as the foil and tie rod bumpers are included to help ensure a more complete rebuild.
- Kit includes a new solenoid screen filter. It is recommended that this filter be replaced during rebuild, old filters can contain foreign particles that can contaminate a clean system.
- Genuine FNST PTFE sealing rings are used to match the OE performance.

Kit **80R021** and Available Bulk Components are in stock and ready for immediate shipment. Call your Corteco customer service representative to place an order today!
